Breakdown or is involved in a road traffic accident on a motorway in France or Mainland Europe

Motorways in France and many other European countries are privately managed. If your motorbike breaks down or is involved in a road traffic accident on a French motorway, motorway service area, or other European private motorway, you must use the roadside emergency telephones as we cannot send assistance. If the motorbike is recovered by the police or authorised motorway services, you may have to pay labour and towing charges on the spot and a standard tariff is normally applied.

We will reimburse these charges as long as the motorbike is recovered to the recovery company's depot. This may also apply to other roads, so we recommend you use the emergency phones where available. If they will not send a breakdown recovery vehicle, you should contact us.

 - ii. at the exchange rate used by **us** when **your** claim form is received if **you** paid in cash;
5. **We** will not take responsibility for repairs carried out at any garage, and the contract for such repairs will be between **you** and the garage / repairer.
6. When a hire car, taxi, hotel or similar benefit is arranged under this **RAC Breakdown Cover**, **we** will always try to find a suitable option that is available at the time, however:
 - a) **we** are not responsible for the quality or service of each individual hotel, train or taxi booked; and
 - b) for hire cars, whilst reputable companies are used, **we** are unable to and cannot be responsible for checking the condition of each motorbike or the quality of service provided by each company;
7. If, following a **breakdown**, the **motorbike** needs to be repaired, **you** must not delay or refuse repairs whilst **you** are in **Europe**. 10. This **RAC Breakdown Cover** does not cover:

4. **We** will not cover any **claim** where the **motorbike** is already at a garage or other place of repair.
5. Where **we** deem, acting reasonably, that **you** requested service to avoid the cost of repairing the **motorbike**, or to correct an attempted repair by someone else, **we** will not provide cover.
6. A **rider** must be with the **motorbike** when **we** attend.
7. **You** are responsible at all times for the care of **your** personal belongings, valuables, luggage and goods in or on a **motorbike**. **We** will not be responsible for any loss of or damage to them.

10. The **motorbike** must not carry more passengers than the number stated in the **motorbike's** registration document. Each **passenger** must have a separate fixed seat fitted to the manufacturer's specification and any child must occupy a properly fitted child seat.
11. Where **we** provide a repair to the **motorbike**, whilst **we** are responsible for that repair, this does not mean that **we** are confirming the legal and roadworthy condition of the **motorbike**. This remains **your** responsibility.
12. **We** will not be responsible for any losses that may incur following a **breakdown** that are not expressly covered by this **RAC Breakdown Cover**. For example, **we** will not pay for any loss of earnings or missed appointments.
13. **We** do not guarantee that recovery to any garage will be during opening hours, or that repairs can start immediately. Whilst **we** will try to check that the garage will undertake the type of repairs required, **we** cannot guarantee this. **We** will not take responsibility for repairs carried out at any garage and the contract for such repairs will be between **you** and the garage / repairer.
14. During extreme weather, riots, war, civil unrest, industrial disputes, **our** services can be interrupted. **We** will resume **our** service to **you** as soon as **we** can in these circumstances.
15. The cost of the following is not covered by this **RAC Breakdown Cover**:
 - a) **specialist equipment**;
 - b) ferry charges for the **motorbike** and **our** vehicle;
 - c) any damage to glass even if the damage means the **motorbike** cannot be legally or safely ridden. **We** will arrange transport to a local garage so **you** can arrange to get the **motorbike** fixed but **you** will have to pay for this;
 - d) spare tyres and wheels and repairing or sourcing them; or
 - e) recovery by someone other than **us** even if this is requested by the emergency services. **We** will only provide recovery once instructed to do so by the emergency services.
16. In handling any **claim** there may be more than one option available to the **rider** under this **RAC Breakdown Cover**. **We** will decide which is the most appropriate option based on **our** expertise in **breakdown** situations. In doing so **we** will act in consultation with the **rider**, and act reasonably at all times.
17. The **motorbike** must be privately owned and only used for private use, including use for social, domestic and pleasure purposes and commuting to and from a permanent place of work or any business use other than hire and reward and/or courier services.
18. This **RAC Breakdown Cover** does not cover:
 - a) routine servicing, maintenance or assembly of the **motorbike**;
 - b) **sidecar** or **trailers**, except as described under Section A;

General Conditions

The following conditions apply to all sections of this **RAC Breakdown Cover**. If **you** do not comply **we** can refuse cover and/or cancel **your RAC Breakdown Cover**.

1. **You** must pay **your** premium.
2. **You** must request services directly from **us**, as **we** will only provide cover if **we** make arrangements to help **you**.
3. Where the **breakdown** is caused by a component failure this must stop the **motorbike** from working and the illumination of a warning light does not always constitute a **breakdown**. If it does not, **you** will need to take **your motorbike** to a place of repair and **your RAC Breakdown Cover** will not cover this.

- c) use of **your motorbike** for business, including for example demonstrating, carrying trade plates, commercial travelling and use for hire and reward;
 - d) **breakdowns** resulting from activities that are not subject to the normal rules of the road for example rallies, stock car racing, use of the Nürburgring or other formal or informal race events;
 - e) **breakdowns** that occur off the public highway to which the **rider** or **we** have no legal access;
 - f) the **motorbike** if it is not legally taxed, insured and holding a valid MOT which is required by law or is not being used in line with the manufacturer's guidelines;
 - g) **motorbikes** that are not in a roadworthy condition. If **we** consider, acting reasonably, that the **motorbike** is not in a legal or roadworthy condition, **we** can refuse to provide service. If **you** can demonstrate that the **motorbike** is roadworthy **we** will provide service;
 - h) any **claim** that is or may be affected by the influence of alcohol or drugs;
 - i) any **breakdown** that is caused by or as a result of **motorbike** theft or fire; or
 - j) any **claim** under this **RAC Breakdown Cover** where the **breakdown** was first reported to **us** under a different policy.
19. If the **rider** is asked to review and approve a document recording the condition of the **motorbike**, including an electronic form, it is **their** responsibility to ensure that the record is accurate and complete, and **we** will not be responsible for any errors or omissions.

Additional Benefits

The following are provided at no additional charge:

Service in the Republic of Ireland

If the **motorbike** has **broken down** in the Republic of Ireland, **we** will provide a Roadside attendance service only, as described under Section A (Roadside). If **your home** address is in Northern Ireland and **you** have purchased Section C (Recovery), **we** will recover the **motorbike** to **your home**, or to another destination in Northern Ireland if the distance is less.

Urgent message relay

If the **motorbike** has **broken down** and the **rider** needs to get in touch with friends and family urgently, **we** will get a message to them.

Additional services

We can provide additional services that are not included in **your RAC Breakdown Cover** but **we** will charge **you** for these, for example to:

1. Purchase the parts **you** need to get on **your** way;
2. Pay for **specialist equipment** to complete the repairs;
3. Extend the hire time for a replacement car;
4. Arrange a second or extended recovery; or
5. Attend a mis-fuel event.

If **you** need extra help, **we** will agree the costs up front and will need full payment before **we** can help. If **you** took out the **RAC Breakdown Cover**, **you** will be responsible for any additional charges so if **we** help someone under **your RAC Breakdown Cover** and they cannot pay, **we** will invoice **you**. This is why **we** request proof of identity at the **breakdown**.
